

Application For Subordination to the Code of Professional Conduct

Dear Sir/Madam,

We are pleased that you as asset manager would like to subject yourself to the Code of Professional Conduct of SRO PolyReg, and we thank you for your interest.

The Code of Professional Conduct has been reviewed and approved by the Swiss Financial Market Supervisory Authority FINMA. This means that the asset management customers of the asset manager, who is subject to this Code of Professional Conduct, are considered qualified investors pursuant to art. 10 para. 3^{ter} CISA (Collective Investment Schemes Act), and that therefore the offer of collective investments, which are not approved for distribution in Switzerland, does not represent distribution pursuant to art. 3 para 2 letter c. CISA. However, it also means that the member pursues and ensures the interests of the investors without restriction.

To submit a subordination application, please complete the following form and enclose the required documents and send it to the address below.

Please note: By signing and submitting the declaration of subordination, you will be subject to the Code of Professional Conduct and the associated Regulations.

PolyReg is looking forward to a good co-operation with you.

With regards on behalf of the executive board,

Dr. Thomas Spahni, President PolyReg
